**THOUGHT FOR THE WEEK:**

**Verse:**

“Therefore, my beloved brethren, be ye steadfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labor is not in vain in the Lord.” I Cor. 15:58

**Meditation:**

A defensive player in the game of basketball can create a foul on an offensive player by standing firm. Letting nothing move him or her. It's called a charging foul on the offense. Getting in proper defensive position takes effort or work. The player has to be in position ahead of time and there are other requirements. Finally, the defensive player has to let the offensive player “charge” through him. It can hurt. There might be a size mismatch. Occasionally it is called incorrectly. Most often the effort is not in vain if properly executed.

Life is a game which often includes taking a charge. Not every day, not every play. As we give ourselves to doing the Lord's work, people and circumstances will try to run right through you without concern of any damage inflicted. Our temptation is to avoid the charge out of fear, or getting our feelings hurt, or finding an easier way. We are to stand firm in our faith and take the charge because our labor for the kingdom is not an empty effort, or in vain. Through our human lens, it may look like the call is missed, but if we remain true to God's Word and His truth and work for the Lord's Glory, He gets it right every time. Stand firm. Don't move. The solid rock of Jesus will not let you be harmed.

**Prayer:**

Dear God, when fear grips me, hold me firm in your hands. When hurt comes, comfort me in your arms. Give me strength to withstand the charges of life when they come straight at me. I declare Christ as my solid rock who plants me firmly and will not let me be moved. We give ourselves fully to your work for your Glory. In His name we pray. Amen.

*Faith  
builds a bridge  
between  
today's hopes  
and tomorrow's  
achievements.*

*He which hath begun a good  
work in you will perform it  
until the day of Jesus Christ.*
